# ED CLUB REPORT 2021-22

## **A Brief Report of ED Club**

ED Club of VTM NSS College, Dhanuvachapuram was started as a result of the progressive move to create and promote extracurricular activities in Students as per the Choice Based Credit and Semester System, introduced by the University of Kerala in 2010.

The VTM NSS College had initiated an Entrepreneurship Development Club also known as the ED Club to inculcate an entrepreneurial culture among the youth and to equip them with the skills, techniques and confidence to act as young entrepreneurs for the new generation. In addition to networking opportunities, entrepreneurship club often offer a variety of educational resources. These may include workshops, guest speakers, and online courses. Members can learn about topics such as market research, fundraising, business planning, and marketing. Entrepreneurship Development Club has great importance. Because it has benefits such as factors of investment encourage, factors of Stimulate and encourage a sense of competition, factors of change and innovation, factors of job creation, improved quality of life, and better distribution of income.

### **ED Club of VTM NSS College aims at:**

- i) To inculcate Entrepreneurial Culture amongst youth and equip them with the skills, techniques and talent and to develop awareness among its members of the attitudes, values, and skills of successful entrepreneurs
- ii) To create confidence to act as torch-bearers of entrepreneurship of the new generation.
- iii) To nurture the latent entrepreneurial talent, develop awareness among its members of the attitudes, values, and skills of successful entrepreneurs around the globe.
- iv) To build tolerance for risk in students. The starting a new business involves the risk of failure. ED Club can transform students into courageous great entrepreneurs and they will be ready to take risks.

- v) To build Leadership qualities among students. To turn a business idea into a real business, entrepreneurs must recruit and lead a team of employees. Since the entrepreneur is the owner and vision behind the company, they must set the standards and guide employees towards the path of success. Strong leadership qualities are essential for building and overseeing a successful team.
- vi) To equip the students with Open-mindedness. In the business sector, every situation that arises can become an opportunity that one's business can utilize for its benefit. The best entrepreneurs avoid becoming too attached to the services and goods they currently provide. An open-mind entrepreneur can evaluate changes in the market and shift the focus of their business to take advantage of a new opportunity.
- vii) To build Innovative mindedness among students. Generating new or better ideas, starting a business and earning a profit requires a creative person. The entrepreneur has to create new ideas to succeed in the face of stiff competition.

## PAPER BAG DAY 2021

### Submission

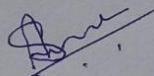

Date: 27.07.2021

The Science Club of VTMNSS College, Dhanuvachapuram is organizing a poster making competition for students in association with IQAC to celebrate Paper Bag Day 2021. Permission may kindly be granted to schedule the event on first week of August.

Convenor of Science Club

Ms. Manju M J

IQAC Co-ordinator

Ms. Shama Pillai

Principal

Dr. Anandakumar V M

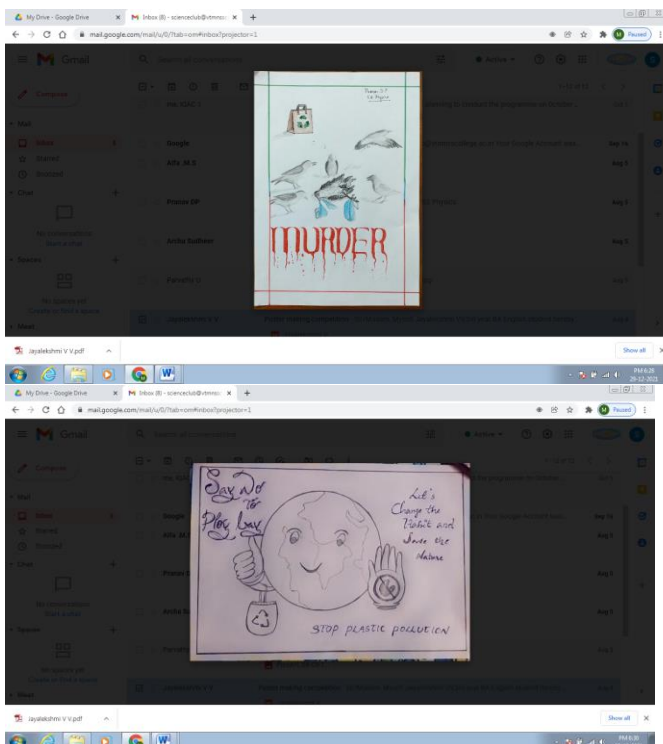

## Objective

The objective of the Paper Bag Day online poster making competition is to raise awareness and promote the adoption of eco-friendly alternatives, specifically paper bags, in place of single-use plastic bags. Through creative and impactful posters, participants are encouraged to highlight the environmental benefits of paper bags, such as reducing plastic pollution and conserving resources. The competition aims to engage a wide audience, fostering a sense of responsibility towards the planet and encouraging sustainable lifestyle choices. By celebrating Paper Bag Day in this innovative way, the competition contributes to a greener future while inspiring artistic expression and environmental consciousness.

## Photos of posters shared by students

Jayalekshmi V.V. of fifth semester, English department secured first prize.

### **List of participants**

SI No:	Name of the student	Semester	Department
1	Jayalekshmi V.V.	5	English
2	Parvathy U	5	Chemistry
3	Archa Sudheer	5	Chemistry
4	Pranav D.P.	2	Physics
5	Alfa M.S.	2	Chemistry

### **Outcome**

**The Paper Bag Day online poster making competition is designed with a clear objective to illuminate the path towards a more sustainable future by advocating for the adoption of eco-friendly alternatives, particularly paper bags, as a viable substitute for single-use plastic bags. Participants are invited to channel their creativity and ingenuity into crafting visually compelling posters that serve as powerful vehicles for driving awareness and change. By prominently showcasing the reduction of plastic pollution and the conservation of precious resources, the competition educates and enlightens a broad audience about the pivotal role paper bags play in curbing ecological degradation.**

### **Feedback**

**The posters creatively capture the essence of Paper Bag Day, promoting eco-friendly choices. The design of all the students effectively communicates the importance of reducing plastic waste with paper bags. Most of the students commented that clear visuals and concise messaging make the entry impactful.**

## World Ozone DAY 2021

### Submission

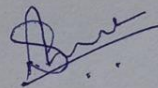

Date: 24.09.2021

In connection with the celebration of World Ozone Day-2021, the Science Club of VTMNSS College, Dhanuvachapuram in association with IQAC is organising an online quiz competition for students to make them aware of the importance of saving ozone layer and the protocols associated with it. Permission may kindly be granted to schedule the event on 03.10.2021.

Convenor of Science Club

Ms. Manju M J

IQAC Co-ordinator

Ms. Shama Pillai

Principal

Dr. Anandakumar V M

**Meeting minutes**

An online meeting was conducted on September 06, 2021 at 7pm to discuss how to conduct programmes related to ozone day celebrations. As per valuable suggestions from the fellow members, we decided to conduct an Online Quiz Competition.

## Report

The competition was held on October 03, 2021 at 10.00am using Quizizz as platform. Once the registration completed, the students were directed to a whatsapp group. The instructions related to the competition were provided in that group.

## Objective

**The online quiz competition for World Ozone Day aims to educate participants about ozone layer protection, its significance in safeguarding Earth's ecosystem, and the Montreal Protocol's role. Through engaging questions, it raises awareness, fosters environmental knowledge, and promotes collective action towards preserving our planet's vital ozone layer.**

### **Outcome**

**The online quiz competition for World Ozone Day educates about ozone layer protection, its Earth-saving role, and the Montreal Protocol's significance. Engaging questions raise awareness, foster eco-knowledge, and promote united action for preserving the vital ozone layer, contributing to a greener future.**

### **Feedback**

**The online quiz competition celebrating World Ozone Day was a resounding success. Participants demonstrated exceptional knowledge about ozone layer preservation, raising awareness about environmental protection. Engagement was remarkable, fostering a global community committed to sustainability. Students commented that the programme was a truly enlightening event that inspired positive action.**

## **REPORT OF THE ACTIVITIES OF NATURE/ ECO CLUB 2021-22**

An understanding of nature is to have a better perspective of the world as well as the self. The present status of environment makes it essential to create a platform for discussing issues related to the conservation of nature and the role man must take in the same. Through various activities organised, the Nature Club of VTM NSS College, Dhanuvachapuram aimed at inculcating an appreciation of nature among students and thereby create a nature conscious group of students with a creative and critical approach towards nature conservation and sustainable development. The club functioned as a platform for students where their ideas of conservation and sustainability can be discoursed productively. The club also aimed at sensitizing students regarding the necessity to protect nature and the role educated youth can play in the same.

### **Objectives of the Club**

- To instill a love for nature
- To create an eco- conscious group
- Create awareness regarding the role of youth in nature conservation
- To provide a platform for interactions regarding nature, conservation and sustainability.
- To provide students with venues of team building and such interpersonal skills.

As per the decisions of the college council, nature /Eco Club was constituted with the following staff members

On 28, July 2021 as part of celebrating nature conservation day Nature club arranged two programmes. The first one was in association with The Media Club which was the release of the newsletter “O-Live” to spread the message of sustainable coexistence. Students of both clubs were asked to spot plants that are there in their immediate backyards. As the pandemic restricted our movement, students were given a chance to understand the immensity of nature that lies at their own space. Entries were compiled and was released on 28, July by Dr.V.M. Anandakumar, Principal VTM NSS College. Best student entries of each club were also given prize.

## O- Live! For Sustainable Coexistence

Look around! Identify the grandeur of nature and make ways to conserve it. This mission was undertaken by the members of the Media club and the Nature club of VTM NSS College, Dhanuvachapuram as part of World Nature Conservation Day - 2021 activities. When the whole world is shackled, we decided to step out to our immediate neighbourhood and spot the immensity of greens which is veiled within our backyards. The result is - O-Live!, a clarion call for the generations to coexist sustainably.

# REPORT ON ENVIRONMENTAL ACTIVITIES CLUB

## (Academic year 2021-2022)

In 2010, the University of Kerala introduced the new Choice Based Credit and Semester System. This was done with the primary goal of emphasizing and promoting extra-curricular activities that lay the foundation for the holistic development of students. One of the clubs begun as a result of this progressive move is the Environmental Activities Club. The major objectives of the Club in VTM NSS College, Dhanuvachapuram are as follows:

- To instill in students a love towards nature
- To be aware of the importance of environmental conservation
- To provide a platform to share their ideas
- To inspire them to explore their own ideas through various interactive sessions
- To develop a mentality to protect our nature

In the college, the Environmental Activities Club consists of teacher members from the various departments, one of whom is the convener. Students from second year degree courses are placed in the club according to their choices submitted to the club convener.

1. Smt.Deepa D (Maths) – Convenor
2. Smt.Akhilasree L (Economics)-Member
3. Mr.Vishnu P S (Economics)-Member
4. Dr.R Jayakumar (History)- Member

Every year, the last Saturday of September is celebrated as World River Day. We Environmental Activities Club in association with the Mathematics Department, Biodiversity Club and college IQAC ,planned to celebrate World RiverDay on 25<sup>th</sup> September 2021.We focused on the villages near the bank of Neyyar River , originated from Agasthyamala, running 2km away from our college. We delivered nearly 25 pamphlets to the villagers and local authorities showing the importance of preserving the river and how to manage waste disposal without throwing it into the river. Our students prepared a documentary on ENIKKUMUNDU PARAYAN , which means The River wants to say Something. The documentary was published through the college youtube channel [https://youtu.be/j8-6Ni\\_pq-s](https://youtu.be/j8-6Ni_pq-s) with this link.

Four students - Abhiram H S, Abin S R, Rahul , Akhildev- from the Mathematics department went to the site to deliver the pamphlets to the villagers and our third year BSc Mathematics student Anugraha K Vijayan and team put all efforts to make the documentary.
