

VTM NSS College

Dhanuvachapuram

Institutional Distinctiveness

VTM NSS College, Dhanuvachapuram, embodies the vision to evolve into a centre of excellence in the world of academics and all round development that will blend innovative practices in teaching in a mutually enriching manner, with holistic development of the students as its prime focus.

- The mission of the college is to provide the students with an excellent background in the fundamentals of their subjects to facilitate a comprehensive development of their all round competency, to foster scientific temper and a culture of lifelong learning and to render socially relevant extension services. This becomes our core principle as we strive to academically enrich our students who belong to the first generation of learners with a rural background.
- The vision, mission and objectives are communicated to the students, teachers and other stakeholders through the following academic and nonacademic practices: during class hours, in PTS tutorial meetings, department meetings, and through wall displays.
- We try to create an atmosphere wherein each individual feels valued and is inspired to contribute his/her best. With this in our purview, we plan courses and programmes aiming at holistic development of our students.
- The NSS and NCC unit of the institution conducts many community development activities which motivate the students to take up the cause of social service. Annual NSS camps are organized to undertake extension activities/community works.
- Lectures/talks on social problems, ethics and professional enhancement are organized intending to evoke community orientation among the students. The computer and internet and Wi-Fi facilities available in the college and computer labs provide ample facility for all students to develop their e-skills.
